

Forum: Lectiones Latinitatis Vivae: Speaking Latin As A Living Language (Paperback)

By Christophe Rico, Stephane Morassut, Blanchard Daniel

Polis Institute Press, United States, 2017. Paperback. Condition: New. Language: Latin. Brand new Book. The goal of Forum is to enable students to speak Latin as a living language. Studies have shown that unless one speaks, reading fluency becomes difficult to attain. Because it teaches students to speak Latin, Forum prepares them to read without the use of dictionary or translation, and to read as fluently as one might read in any modern language. Forum applies to Latin the teaching methods commonly used for modern language acquisition: total oral immersion, total physical response (TPR), role-playing games, gradual complexity of dialogues and stories, and gradual grammatical progression. Whether used by students on their own or by an instructor with a group, this first-level book submerges the student within the language. The audio files that are available for free download on the Polis Institute website will help the student to internalize grammatical forms and vocabulary. As only the Latin language is heard by the students using these files, they are unable to rely on an intermediary language and are thus compelled to employ the new skills they have acquired through this text. Forum teaches Classical Latin in the broadest sense. The classical period includes the...
