

The Devil Drives a '66: And Other Stories (Paperback)

By Wayne Kyle Spitzer

Independently Published, United States, 2019. Paperback. Condition: New. Language: English.
Brand new Book. It was all too much-the car that had been buried for 52 years yet started right up, the flashback to the 1960s and the ghostly girl, the bugs the size of dogs whose stench filled the cab and caused me to wretch. I gripped the door handle instantly-even as the little chrome knob dropped, locking me in. Then we were accelerating-abruptly, powerfully-whipping around the cars in front of us and blasting through the intersection: the girl vanishing, just winking out of existence, the bugs making a sound like crickets but magnified a hundred fold-the V-8 (or whatever it was) roaring.Yes-yes, James. Want this, we do .Want it! Want it!Right there, James. The infestation. Do it!But I wasn't driving-No, I could see that wasn't true: my foot was on the peddle just as sure as my hands were on the wheel. And that foot dipped suddenly even as the skateboarder came into view-his eyes widening, his free leg kicking-so that he disappeared into an alley even as we exploded past-fishtailing to a halt in the middle of the road, where the high-compression engine sputtered and the glass packs...

Reviews

Unquestionably, this is actually the greatest function by any author. I was able to comprehended every little thing using this created e ebook. Its been printed in an remarkably straightforward way which is merely following i finished reading this ebook in which in fact altered me, alter the way i think.
-- Arianna Witting

An exceptional book as well as the font used was exciting to read. It is actually rally intriguing through reading time. You will not sense monotony at anytime of the time (that's what catalogues are for about when you ask me).
